Arrest: Sexual Exploitation of a Child

Boise, June 2, 2008 - Boise Police arrested a man after he was found with multiple images and video of child pornography.

The arrest followed a lead developed by investigators with the Idaho Attorney General's Office and the Idaho Internet Crimes Against Children Task Force.

Arrest: Kyle Guyton, 25, Boise

Charge: Sexual Exploitation of a Child (F)

Guyton was arrested Friday afternoon by Boise Police after he was found to have multiple images and videos of child pornography in his home. At this time, Boise Police detectives say there does not appear to be any local victims, however the case is still very much under investigation and more charges are possible. Investigators say it appears the suspect has been collecting the disturbing images on his home computer for several years.
